I. Policy Summary:
This policy applies to observers, such as a biology student, who has requested to "shadow" a healthcare professional for educational purposes or to determine a career choice. The policy also applies to healthcare vendors who are present in clinical areas. This policy does not apply to observers who are themselves physicians, Allied Health professionals or foreign physicians requesting to observe medical and/or surgical techniques. The policy is intended to safeguard and protect the health and privacy of our patients.

II. Definitions:
Refer to Standard Definition Guide Document.

III. Policy Text:
A. Observation of procedures and other patient care services falls under the UC Riverside School of Medicine mission of education. The patient has a right to know that a visitor, student, or other observer is not part of the UCR Health team. The patient is not obliged to exchange PHI in the presence of a visitor, student, or observer, and the patient will not be treated differently if they refuse.

1. Students may be permitted to shadow a physician or other health care worker provided that: A) The student is a UCR Student in a healthcare related educational program. B) Non-UCR students must be enrolled in a pre-med or science program.

a. All observers with access to patient care areas or areas where protected health information is maintained will be required to complete the following:
   - Sign a Confidentiality Agreement for Visitors and Vendors (Attachment A)
   - Complete the online UC Riverside Healthcare Privacy and Security training or complete a hard copy version of the training
   - Provide proof of health screening as detailed below.
   - Sign a Statement of Casual Clinical Observer (Attachment B)

2. Observers must be accompanied by a supervising UCR Health staff member at all times except when in public areas. The sponsoring department must complete the Notification and Approval of an Observer in Clinical Areas (Attachment C).

a. Patient permission must be obtained for an observer to be present during a patient care encounter, and the patient’s consent must be
documented in the patient's medical record.

b. No observers will be permitted who are known to be Foreign Nationals from the Specially Designated Nationals List maintained by the US Department of Treasury Office of Foreign Asset Center (specifically Cuba, Iran, North Korea, Sudan, or Syria).

c. Vendors sign in on the Vendor Log at the front desk upon arrival and must have an appointment and prior approval of the treating physician before accessing patient areas.

d. If a student or vendor does not comply with the policy, the treating physician will be notified that the observer is not permitted to be present until the requirements are met.

IV. Responsibilities (Not Applicable)

V. Procedures:
   A. A student observer:
      a) Must be at least 18 years old and a high school graduate. High school graduates under the age of 18 will require additional approvals.
      b) Interested in pursuing a medical career.

   B. The Department hosting or sponsoring the observer must obtain approval from the Administrator responsible for the area where the observer will be present at least five days prior to the observer's start date in order to ensure adequate notification and preparation.

   C. The Observer must register with the ambulatory practice site prior to scheduled observation date to provide proof of health screening to include the following:
      1. PPD within the last 12 months.
      2. Rubella, rubeola, and mumps (MMR) vaccination or titer, and T'dap.
      3. Flu vaccination during flu season or completion of an "Informed Declination Form" declining the flu vaccination. See SOM Policy and Procedure, Policy number SOM 4.0, "Vaccination and Immunization Requirements".
      4. Health insurance coverage.
      5. If minor, under the age of 18 years of age, parental or guardian consent form and approval form the SOM Dean or Associate Dean is required.

CLINICAL
CONFIDENTIALITY STATEMENT
For Non-Workforce Members

The federal Health Insurance Portability and Accountability Act ("HIPAA") and its regulations, the California Confidentiality of Medical Information Act and other federal and state laws and regulations were established to protect the confidentiality of medical and personal information, and provide, generally, that patient information may not be disclosed except as permitted or required by law or unless authorized by the patient. In certain circumstances, HIPAA allows the disclosure of limited patient information in order to carry out treatment, education, research, public health, or health care operations activities without obtaining the patient or subject’s authorization.

Confidential Patient Information includes: Any individually identifiable information in possession of or derived from a provider of health care regarding a patient’s medical history, mental or physical condition or treatment, as well as the patients’ and/or their family members’ records, test results, conversations, research records and financial information. (Note this information is defined in the Privacy Rule as “protected health information.”) Examples include but are not limited to:

- Physical medical and psychiatric records including paper, photo, video, diagnostic and therapeutic reports, laboratory and pathology samples;
- Patient insurance and billing records;
- Computerized patient data;
- Visual observation of patients receiving medical care or accessing services; and
- Verbal information provided by or about a patient.

I understand and agree that this document establishes a Confidentiality Agreement between me ______________________ [insert name of Individual] a representative of ____________________ [insert name of employer] and UC Riverside and sets forth the understanding regarding the protection of any confidential information that Individual may have access to while performing services at UC Riverside with the following purpose:_________________________________________________________

1. I understand that I will be granted access to, or otherwise become acquainted with, the following information ("Information") relating to UC Riverside Health patients:
   - Clinical/medical information
   - Insurance and Billing information
   - Scheduling information
   - Visual observation of patients receiving medical care or accessing services
   - Other (describe) ___________________________________________

Revised: 04/2016
It is understood and agreed that except as required by law, I will use and hold all
information in strict trust and confidence, and will use such information only for the
purposes contemplated herein, and not for any other purpose.

2. I acknowledge that it is my responsibility to respect the privacy and confidentiality of
information received from UC Riverside I will not access, use or disclose patient or other
confidential information unless I am authorized or permitted to do so by law or as
authorized by the patient. I further understand that I am required to immediately report
any information about authorized access use or disclosure of confidential patient
information to UC Riverside.

3. I agree to not disclose the Information to any other individuals.

4. Neither the release of any information hereunder or the act of disclosure shall
constitute a grant of any license under a trademark, patent, or copyright or application of
the same.

5. I understand and acknowledge that, should I breach any provision of this Confidentiality
Statement, I may be subject to civil or criminal liability.

UNIVERSITY OF CALIFORNIA AT RIVERSIDE SCHOOL OF MEDICINE

Waiver of Liability, Assumption of Risk, and Indemnity Agreement

Waiver: In consideration of being permitted to participate in any way in the shadowing program at the University of California, Riverside (herein known as the “Program”). I, for myself, my heirs, personal representatives or assigns, do hereby release, waive, discharge, and covenant not to sue The Regents of the University of California their respective officers, employees, and agents from liability from any and all claims including the negligence of The Regents of the University of California their respective officers, employees and agents, resulting in personal injury, accidents or illnesses (including death), and property loss arising from, but not limited to, participation in the Program.

Assumption of Risks: Participation in the Program carries with it certain inherent risks that cannot be eliminated regardless of the care taken to avoid injuries. The specific risks vary from one activity to another, but the risks range from 1) minor injuries such as scratches, bruises, and sprains 2) major injuries such as eye injury or loss of sight, joint or back injuries, heart attacks, and concussions 3) catastrophic injuries including paralysis and death.

I have read the previous paragraphs and I know, understand, and appreciate these and other risks that are inherent in the Program. I hereby assert that my participation is voluntary and that I knowingly assume all such risks.

Indemnification and Hold Harmless: I also agree to INDEMNIFY AND HOLD The Regents of the University of California HARMLESS from any and all claims, actions, suits, procedures, costs, expenses, damages and liabilities, including attorney’s fees brought as a result of my involvement in the Program and to reimburse them for any such expenses incurred.

Severability: The undersigned further expressly agrees that the foregoing waiver and assumption of risks agreement is intended to be as broad and inclusive as is permitted by the law of the State of California and that if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.

Acknowledgment of Understanding: I have read this waiver of liability, assumption of risk, and indemnity agreement, fully understand its terms, and understand that I am giving up substantial rights, including my right to sue. I acknowledge that I am signing the agreement freely and voluntarily, and intend by my signature to be a complete and unconditional release of all liability to the greatest extent allowed by law.
