      Accounts identified as “Charity Care” will be removed from the bad debt list.
C. Previously assigned guarantor bad debts are eligible for a recall from the outside collection agency at the request of UCR Health management:
   1. UCR Health billing vendor will complete the recall of the account within three (3) business days from the date the request is submitted.
   2. UCR Health billing vendor will not recall any guarantor bad debts from a collection agency unless there is clear guidance on the final disposition of the balances, within the scope of the UCR Health.
